

Dear Parent/Carers

We hope you all had a good summer break.

Welcome to the new Federation HEYSA (Haringey Early Years Schools Alliance) made up of Woodlands Park Nursery School and Children's Centre and Rowland Hill Nursery School and Children's Centre. We have a new logo to represent HEYSA which you will see alongside the existing logos for both schools on all correspondence. The governors and senior staff have also developed the new purpose, visions and values which reflect the work of HEYSA. These can be found on both school's websites and in the schools.

On the 12<sup>th</sup> September 2024 with the support of Haringey Council and Haringey Educational Partnership we formed the governing body. I would like to introduce myself, I am Jane Perryman, the newly elected Chair of Governors for HEYSA. I have been co-chair of governors at Rowland Hill for over three years and I am now looking forward to working across both schools. I have worked most of my career in Early Years and look forward to meeting the children and families in our federation.

As governors we are very excited by this new venture between the two Nursery schools to raise outcomes for children and to ensure each child has the best start in life. Please look out for the communications next week regarding the Parent Governor elections. We plan to run termly drops in for families in both schools with members of the governing body to provide opportunities for us to work together for the children and their families in our communities.

We look forward to meeting you and working together to continue supporting our wonderful nursery schools and children's centres.

Have a lovely week end

Your sincerely
